12.	Summary of reasons for recommendation (IDC may also invite attention to any other place, e.g. company's website, where its detailed recommendations along with written advice of the independent adviser, if any can be seen by the shareholder)	A. IDC has perused the PA, DPS, DLoF, LoF issued in relation to the Open Offer by the Manager to the Open Offer on behalf of the Acquirer and the PACs, and particularly noted the following, while making the recommendation: <ul style="list-style-type: none">(i) the equity shares of the Target Company are frequently traded in terms of Regulation 2(1)(j) of the SEBI (SAST) Regulations.(ii) the volume-weighted average market price per Equity Share for a period of 60 (sixty) trading days immediately preceding the date of the PA as traded on the National Stock Exchange of India Limited ("NSE") during such period and such shares being frequently traded is Rs. 47.14/- . The maximum volume of trading in the shares of the target Company for a period of 60 (sixty) trading days immediately preceding the date of the PA has been recorded on the NSE.(iii) the highest negotiated price per equity share of the Target Company for any acquisition under the agreement attracting the obligation to make the PA of the Open Offer i.e. the price per Equity Share under the Share Purchase Agreement dated July 9, 2025, is Rs. 35.40. Based on the above, the IDC is of an opinion that the Offer price of Rs. 47.14/- per equity share is in compliance with the SEBI SAST Regulations and hence is fair and reasonable. B. This is an Open Offer for acquisition of publicly held Equity Shares. The Public Shareholders have an option to tender the shares or remain invested. C.
