The Board is requested to note the minutes of the meeting and thereafter the minutes shall be signed by the Chairman of the Meeting.

The Board is further requested to note that no comments were received from the Directors on the draft minutes circulated earlier.

Agenda No. 04:

To deliberate and approve the Company's proposed strategic entry into the AI-based healthcare sector, leveraging facial scan technology for early detection, diagnostics, and wellness solutions.

The Chairman of the Company informed the Board that the agenda item, which was previously deferred in the Board Meeting held on October 17, 2025 as it was in the budding stage and discussions and evaluations were yet to be done, is now being placed before the board after deliberate discussions for consideration and approval.

The Chairman further informed the Board members that Company is proposing strategic entry into the AI-based healthcare sector, leveraging facial scan technology for early detection, diagnostics, and wellness solutions which will strengthen the long-term growth of the Company.

Board Members are requested to deliberate and pass the following resolution with or without modification(s):

“RESOLVED THAT, pursuant to Regulation 30 read with Schedule III, Part A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI LODR Regulations”), other applicable laws and regulations as amended from time to time, in alignment with the Company’s long-term strategic vision, the consent of the Board of Directors of the Company be and is hereby accorded for the strategic plan to grow into the healthcare technology space by leveraging artificial intelligence (AI) and advanced computer vision for non-invasive health assessment through facial scanning technology.

RESOLVED FURTHER THAT, the Board acknowledges and takes note of the presentation and discussion on the market potential, competitive landscape, and revenue models based on leading solution platforms relevant to this new strategic initiative presented in the Board Meeting, the potential use cases of the proposed AI-based healthcare platform, including:

- Remote patient screening and telehealth applications
- Preventive healthcare solutions designed for wellness programs
- Integration capabilities with wearable devices, health insurance platforms, and hospital Electronic Health Record (EHR) systems.

RESOLVED FURTHER THAT, The Board of Directors of the Company hereby approves to take necessary actions and adopt such practices to enhance the process. Further, The Company shall initiate due diligence and enter into Memorandums of Understanding (MoUs) with shortlisted technology partners, or alternatively, to explore the establishment of an in-house AI Research & Development (R&D) unit to and frame necessary regulatory, legal, and compliance framework with respect to the initiative to

DEEP DIAMOND INDIA LIMITED

periodically review and monitor the current status ensure that all requisite filings and obligations are tracked and complied with in a timely manner.

RESOLVED FURTHER THAT, the Board reviews and supports the conceptual framework of the proposed AI Healthcare Platform involving the development of a facial-scan-based health monitoring and diagnostics system, which is intended to detect vital signs such as heart rate, blood pressure indicators, oxygen saturation, respiratory patterns, and early indicators of cardiovascular or metabolic health. And the necessary steps be initiated by the management team to further evaluate the opportunity, refine the platform roadmap, and undertake any feasibility analysis as required for subsequent execution and partnership development.”

RESOLVED LASTLY THAT, All the Directors of the Company, be and are hereby jointly or severally be authorized to do all such acts, deeds, and things as may be necessary to effectuate the aforesaid resolution.”

Agenda No. 05:

To consider and approve the roadmap and launch plan for the above initiative, targeted to be rolled out within the next 45 days.

The Chairman apprised the Board that the agenda item which was deferred in the previous meeting held on October 17, 2025, as it was in the budding stage and discussions and evaluations were yet to be done, is now being placed before the board after deliberate discussions for consideration and approval.

The chairman of the Company hereby informs the Board members about the final roadmap of the initiative and that this move strengthens the company’s innovation credentials and enhances its positioning. By leveraging AI and facial scan technology, the company can offer scalable, non-invasive diagnostics aligned with global health trends.

The Board is hereby requested to pass the following resolution with or without modification (s):

“**RESOLVED THAT**, the Board of Directors be and hereby provides consent to the 45-day accelerated development and pilot launch timeline for the AI-based healthcare platform, with defined milestones covering prototype development, testing, regulatory compliance, and initial market rollout. Further proposed launch strategy for a Minimum Viable Product (MVP), to be piloted across wellness centres, diagnostic laboratories, and digital health platforms, as an initial market entry point.

RESOLVED FURTHER THAT, the Board hereby provides consent on the initial capital allocation that will be required towards the AI healthcare vertical, which shall cover all the related necessary actions such as R&D activities, recruitment of technical talent, infrastructure development, marketing initiatives and such other actions that would be required to be taken on the part of Company to support the launch of AI Health Program. Management of the Company shall carry out the discussion and evaluate funding options including internal accruals, strategic partnerships and such other suitable options to support the initiative's execution. Further the Company may engage legal and healthcare regulatory consultants for guidance on certifications and clinical validations required for smooth implementation of the Program.

FURTHER RESOLVED THAT, the Board accords the approval for the preliminary go-to-market strategy evaluated by the Company, branding strategy framework prepared, and build strategic partnerships with healthcare providers, insurers, and wellness platforms. Formulation and Implementation of pilot programs and awareness campaigns, in collaboration with healthcare institutions, are taken into consideration to support the effective implementation of Health Care Program.

RESOLVED FURTHER THAT, The Directors of the Company either jointly/Severely are authorized to take all necessary steps to implement the above resolution and to do all such acts, deeds, and things as may be necessary to give effect to the same.”

Agenda No. 06:

To approve the launch of new AI-driven wellness platform.

The Board of Directors of the company have been consistently pursuing strategic initiatives to explore into emerging technology-driven sectors aligned with its long-term vision of innovation and societal well-being.

After a detailed evaluation and development phase, the Company has successfully conceptualized and finalized the launch plan for its new AI-driven wellness platform Deep Health AI, scheduled to be launched on or before Tuesday, November 25, 2025. As a gesture of appreciation towards the Company's shareholders, a **complimentary first health scan**, shall be extended to all registered shareholders at the time of the product's official launch. The platform is an advanced AI-powered digital health application, designed to deliver key wellness indicators through facial scan technology.

The Board is hereby requested to pass the following resolution with or without modification (s):

“RESOLVED THAT the Board of Directors hereby approves and ratifies the launch of the Company's new AI-driven wellness platform titled **Deep Health AI** scheduled to be launched on or before Tuesday, November 25, 2025, as part of the Company's strategic initiative to enter the digital health ecosystem.

RESOLVED FURTHER THAT the Board acknowledges that Deep Health AI is designed to provide wellness indicators through facial scan technology and to promote affordable and preventive health solutions across all sections of society, with particular focus on rural India. Further, the Board takes note that the project is progressing as per the planned schedule and remains aligned with the previously approved strategic objectives of the Company.”

Agenda No. 07:

To Review the Progress of the Company.

The Chair will brief about the performance of the company till date to all the Directors of the Company. The Board is requested to deliberate and take note of the same.
